Elongation based on 8" (20.32cm) gauge length. No weld repair was performed. All mechanical testing is performed by the quality department, which is independent of the production departments.
CE1 = C+(Mn/5)+(Cr/Mo/5)+(Ni/Cu/15)
CE2 = C+(Mn/5)+(Cr/Mo/5)+(Ni/Cu/15)
Nucor certifies that the contents of this report are accurate and correct. All test results and operations performed by the material manufacturer are in compliance with material specifications, and when designated by the purchaser, meet applicable specifications.
